

COVID19 SAFETY PLAN

REVISED NOVEMBER 20, 2020

Please arrive at the door on time; not early.

Prior to entry, you will be asked about the following:

- **Diarrhea**
- **Nausea or vomiting**
- **Headaches**
- **Body aches**
- **Extreme fatigue or tiredness**
- **Loss of appetite**
- **Sore throat**
- **Loss of sense of smell or taste**
- **Cough**
- **Difficulty breathing**
- **Fever or chills**

If you have any of the above symptoms, we will rebook your session through telehealth, and ask you to call 8-1-1 to talk to a nurse at HealthLinkBC for advice and / or referral for testing. 8-1-1 has translation services in 130 languages.

If you do not have any symptoms, we will ask you to:

- **Wash your hands or sanitize when you enter and leave**
- **Wear a mask throughout your treatment session, as will we**
- **Keep a distance of 2 metres at all times**

Thank you for helping us keep you and others safe.
